

# Heritage Park Festival of Quilts

## Group Display Entry Form

Group Displays of quilts are popular and a welcome addition to our Festival. They do require extra care and attention, however, so the following requirements have been established.

1. Quilts to be displayed as a group must be based on a common theme or challenge.
2. A single individual - the group coordinator - must be responsible for the Group Display.
3. All quilts in the group must be collected and delivered to Heritage Park together as one group on check in day, and they will be returned as one group. Individual quilters participating in the group display will not be permitted to drop off or pick up individual quilts for the group display, even if they have other quilts entered.
4. If an indoor display is required, please contact the Heritage Park Special Events Office to discuss options, and make a note of your request on this form.
5. A Group Display Registration Form (this form) must be completed and include a description of the overall theme or challenge. This information will be used to prepare display signage for the group quilts, and may be edited if necessary.
6. Exhibitor information and entry descriptions must be collected for each individual entry in the group display, and be submitted with the Group Display Registration Form.

### Duties of Group Coordinator

1. Take responsibility for coordinating the group entry.
2. Provide required information about the group display as shown on this form.
3. Obtain individual entry forms for each quilt to in the group display.
4. Submit the entire package to Heritage Park **by April 2, 2012**.
5. Collect the quilts to be entered in the group display.
6. Deliver the quilts to Heritage Park on quilt take-in day. **All quilts in a Group display must be delivered together.**
7. Pick up the group display quilts on quilt return day, and return them to the individuals who contributed them.
